

Kat Cafferky | Principal

Welcome to number 10 in my series of blogs! Time really does fly and before long we will be opening the doors of our brand-new school to our first ever Year 7 cohort. I hope that you have all had a fantastic holiday and are back feeling refreshed and working hard in what will be your last term of primary school!

Look out for ...

We are delighted to be able to gift each one of our new students with their very own school bag as part of your smart and stylish uniform courtesy of our contractors, Galliford Try. We will be handing these out at TAL Induction Camp which takes place during the first three days of the new term. More details about our uniform can be found in the TAL Student Handbook that we will be emailing to all families shortly!

All About Me

It has been great to find out so much about our new Year 7 students, especially all the things that you are most looking forward to taking part in at Trinity Academy Leeds when you join! Please do remember to send us back your form, we will use this information to ensure that you have a smooth transition.

Mariam

I am looking forward to the extra-curricular activities such as STEM and Music.

The Site

On a very sunny day in Leeds last week, an overly excited group of teachers took to the site, the founding staff team at TAL! It was a privilege to meet 'mask to mask' such dedicated and passionate subject experts and to show off the wonderful progress, large and light filled classrooms, and all the thoughtful design features that make up our school.

TAL Maths Challenge!

Our next challenge has been set by our Curriculum Leader for Maths, Mr Weston. He is extremely excited to see your creative attempts. Please send your entries to the usual address and he will choose three winners to receive a Maths related prize. Your challenge entry should include your calculations and final destination – you might want to include some illustrations or even a map, the more creative the better!

If five million one-pound coins are laid edge to edge starting at the site of Trinity Academy Leeds and heading south, how far will they reach?

Miss Elliot says "Hello"

Miss Elliot |
Head of Year 7
& P.E Teacher

I am absolutely delighted to have the opportunity to work closely with you all and get to know you individually. I am here to support you through your transition to secondary school and beyond; to help you become outstanding members of our school and local community and to help you develop the tools you need to flourish at Trinity Academy Leeds.

TALia on her Travels

Thank you to all our new students who took part in our latest Easter Challenge involving the Performing Arts. It was great to see your entries and obvious talents, and just as lovely to see your smiling faces when your prize was delivered to your door!

Dream Team!

I already know that we have many sports mad students joining us and this makes me thrilled to introduce the talented twosome that make up our P.E. Faculty at TAL. Their passion and dedication, combined with our fantastic facilities, will lead to an incredible sports provision for all. In addition to being a P.E. teacher, Miss Elliot is also your Head of Year and cannot wait to start getting to know and support each and every one of you...

Meet Mr Lisgo ...

I feel very privileged to have been appointed as a founding member of staff at Trinity Academy Leeds. I will be joining the Academy as the Subject Coordinator for Physical Education. My previous employment at two schools in East Leeds cultivated a deep affection for the community that our Academy will serve.
