- All students will be expected to complete all tasks set in lessons, and in addition complete weekly homework for each subject.

- In addition to timetabled academic subjects, all students attend a weekly Personal Development Studies (PDS) lesson and a character curriculum entitled, 'The Build', attend Inspire assemblies and experience DEAR and daily reflection which aims to develop their spiritual, moral, social and cultural understanding.
- Delivery of the PDS programme will be provided for in year groups to be tailored to the specific needs of different age groups. The content of the curriculum will be decided via analysis of a range of data available which gives evidence as to the education gaps students may have. Data will be taken from avenues such as the yearly bullying survey, analysis of the types of referrals made to the vulnerable student team and pupil voice.
- Any additional Sex and relationships education, drugs and alcohol education will be provided through a variety of drop-down days, assemblies and smaller group sessions where needed.
- Careers advice and opportunities are threaded through curriculum maps and key calendared events.
- In addition to PDS and the 'Build' programme, students will have the opportunity to partake in cultural trips, visits and residential trips, based on their interests and needs.

Decisions on set changes will be made between the class teacher, curriculum leader and deputy curriculum leader where appropriate. For all other subjects students are in 'teaching groups' where they are streamed according to Key Stage 2 scores. Students will be with the same class for all of these lessons.

Students choose four option choice subjects as detailed above (4.2) at the end of Year 9. In the core subjects of English, Maths, Science and Humanities students will be set based on prior attainment. Where timetabling allows students may also be set in MFL. All options subjects and core PE are taught in mixed ability groups.

Monitoring of standards, systems and teaching and learning across the Academy is the responsibility of the Senior Leadership Group. Monitoring of the quality of lessons on a daily basis is the responsibility of the Curriculum Leadership Team. Each subject has ongoing Quality Assurance throughout the year via learning walks, lesson observations, work scrutinies, student voice and weekly SLG link meetings.
