I am delighted to welcome to into our TAL family. We are a very special school and strive to offer you a WorldClass education and a large array of world class experiences. We are excited to get to know each and every one of you and to support you in your journey to reach higher, see further and shine brighter within our school and beyond.

I hope that you find this booklet useful as an initial taster of all things TAL, and I look forward to seeing you all in September.

– Mrs Cafferky

Starting secondary school can be daunting and I am sure that many of you will be feeling a little nervous, this is only natural. Myself and my team of fantastic teachers and staff will make sure that you are well looked after and supported in making new friends, finding your way around the building, and navigating break and lunch time.

I am excited to meet each one of you and to see you in our academy, studying a full range of exciting subjects and taking part in our extensive co-curricular programme, Involve. On your first day you will also begin our Year 7 challenge, The Build, where you will complete a range of activities underpinned by our core values of Empathy, Honesty, Respect, and Responsibility. We have every faith that you will enjoy your time with us and grow into successful, happy young adults ready to 'Reach Higher, See Further, Shine Brighter' and take on the world.

Meet the Team

Mr Lisgo

Head of Year 7

It is with great excitement that I introduce myself as the Head of Year for the Class of 2027 at Trinity Academy Leeds. In all of my professional practice I am very approachable and caring though I stoically believe that consistently upholding high standards leads to success. I will support all students to consistently meet our high expectations and celebrate their successes enthusiastically. My vision for the Class of 2027 is to develop and maintain a harmonious and academically prosperous culture: a culture which will enable all students to thrive.

Mrs Collins

Vice Principal

I am very much looking forward to meeting you on your first day and supporting you throughout your time at secondary school. My job is to ensure that you enjoy the very best possible educational experience and love learning with us. I can't wait to see you enjoying Science in our brand new labs, performing in our Drama Studio and playing sport on our huge 3G pitch; there are so many exciting opportunities ahead for you all. To make an excellent first impression, I am looking for polite, enthusiastic and hardworking new students. All I ask is that you try your very best each and every day and if you do, success and rewards will soon come your way. See you soon!

Meet the Team

Mr Gouland

Assistant Principal

A warm welcome to all students starting at Trinity Academy Leeds. I am looking forward to meeting you all and helping you settle into our brand-new school. My job is to ensure our school remains a calm and safe place for students to learn each day. Alongside making sure all students meet our high expectations, I will also support students to achieve excellent attendance. At the very start of our journey together, I look for students who are showing Empathy, Honesty, Respect and Responsibility. These core values are what makes a fantastic student.

WE CAN'T WAIT TO MEET YOU!

Mr Harrison

Leader of Inclusion (SENDCo)

My job is to make sure there is nothing that stops you from learning while you are at school. You might need a special piece of equipment to help you learn, or you might need extra help to get organised, or you might just need a bit of extra help in lessons. It's my job to make sure you get that help and can achieve your best while you are at Trinity Academy Leeds.

Academy Vision

At Trinity Academy Leeds we have one shared and united vision, to work together to be the best that we can be. Our school motto, **'Reach Higher, See Further, Shine Brighter'** encapsulates this. If you work hard, embrace new opportunities and experiences, and live out our core values, you will thrive within the academy, securing the brightest of futures.

As well as a school motto, we also have one shared and united mission, that all our students will leave us with the qualifications and mindset to achieve their aspirations and goals. We have high hopes of what you can achieve, and we will encourage you to aspire to University or a challenging alternative.

The academy ensures that all students enter a Level 3 qualification route or challenging alternative; possessing the knowledge, habits, values, and ambition to achieve their aspirations and goals.

During your first few days at the academy, you will also be asked to create your own personal TAL Mission. This is a statement about how you would like to be viewed and what you would like to achieve by the time you leave us in Year 11.

TAL Induction Camp

Induction Camp for Year 7!

At the start of the year, all Year 7 students will take part in the TAL Induction Camp. This event is designed to induct you fully into the TAL way, the systems, routines, and expectations of our academy. Each day will be underpinned by our core values of **Empathy, Honesty, Respect and Responsibility** and is designed to support your successful transition into high school. During TAL Camp, you will meet your Form Tutor, have an opportunity to make new friends and understand your timetable and how to find your way around the school building. We will also give you key equipment and information on our expectations and answer any questions that you may have.

“ Our four core values are embedded into every Trinity MAT school! ”

Empathy, Honesty, Respect and Responsibility

Before you start with us, we will be sending out lots more information around uniform and online payments. We will also be inviting you and your family to our Induction event where we can find out more about you before you start.

The Academy Day

Our school day starts at **8.00am sharp**, this is when the school gates will be shut, and all students should be in the refectory ready for their morning meeting. Arriving after this time will incur a 'late' sanction. If you wish to be on school site earlier than this, **you are welcome to join our free Breakfast Club from 7.30am - 8.00am** where a selection of cereals and baked goods will be available.

**8.00am
start!**

You will attend **five lessons per day in a range of subjects** and will be given your timetable with classrooms and teachers on your first week with us. You will also be given a Form Group and Tutor and you will take part in daily Drop Everything And Read (D.E.A.R.) sessions. Two of our days, Tuesday and Wednesday, are extended until 3.50pm where you will have the chance to take part in a wide range of co-curricular activities through our programme, Involve.

**Get involved in our
extra-curricular clubs!**

Several additional clubs will run throughout the school week, these are voluntary such as our Leeds Academy of Performing Arts (LAPA) that runs every Thursday from 2.50pm to 4.50pm

The Academy Day

Take a look at our timetable to get a feel for what your days will be like at our academy. From Morning Recall sessions to our after school activity slot, TAL days will be packed with excellent learning. All students are expected to be on time to school and to lessons. Each day, all students must be in the Dining Hall and be ready to learn with all the equipment they need by 8.00am. Our aim is to get you into excellent habits for your time in school and the workplace, therefore if you are late, you will receive a sanction.

Timings of the School Day

Recall	
Period 1	8.30 - 9.30
Break	9.30 - 9.50
Period 2	9.50 - 10.50
Tutor / Assembly	10.50 - 11.20
Period 3	11.20 - 12.20
Lunch	12.20 - 12.50
Period 4	12.50 - 1.50
Period 5	1.50 - 2.50
Involve	Refectory

*The school day will end at 2.50pm on Monday, Thursday and Friday. On Tuesday and Wednesday school finishes at 3.50pm. If students attend LAPA on Thursday this will run until 4.50pm.

Subjects: Building Knowledge and Skills

At secondary school you get to experience a wide range of subjects, taught by subject experts. At TAL we have made sure that you experience a broad and balanced curriculum so that you will build strong knowledge and skills to equip you for your chosen career and life after the academy.

All students in Year 7 will study the following subjects:

English 

Maths 

Science 

History 

Geography 

Computing 

Art, Design and Technology 

Spanish 

Music 

Drama 

Dance 

Physical Education 

Religious Studies 

Personal Development 

and lots of extra-curricular clubs to get involved with!

Expectations: Laying Strong Foundations

At Trinity Academy Leeds we believe in the importance of setting the highest expectations for student behaviour to enable you to reach your potential and develop positive learning habits for life. From the first day at Trinity Academy Leeds, you will be expected to model our behaviour Absolutes 100% of the time.

100% Absolutes

ON TASK

-  No answering back
-  Embody core values
-  Follow staff instructions: first time, every time

ON TIME

-  Fully equipped
-  Perfect uniform

STAR

You quickly get used to the acronyms, 'STAR STEPS' that your teachers will insist upon in classrooms, assemblies, and meetings. At TAL, we want all our young people to be STAR learners to ensure that no time is wasted, and that learning time is protected.

- Stop, sit up straight and in silence
- Track the speaker or text
- Answer questions in full sentences
- Ready to learn (equipment out)

STEPS

At TAL we always expect and reward good manners; see if you can impress your teachers from the very start with impeccable manners and conduct by remembering to say/do the following:

- Sir/Miss
- Thank you
- Excuse me
- Please
- Smile!

S
T
E
P
S

Corridors and Social Times

At TAL our high expectations extend to every inch of our academy, including how you conduct yourself when travelling to and from school. We want our students to be polite, calm, courteous and to always be positive role models for the academy. You will be expected to walk calmly and silently around the building and to behave respectfully at social times, looking after the school environment and wearing your uniform with pride.

There is no magic to achievement. It's really about hard work, choices, and persistence.

- Michelle Obama

Any student failing to follow TAL expectations, first time, every time, will be subject to school sanctions that may result in same day detentions. TAL's Positive Behaviour policy is applied consistently by all staff to ensure that no moment of learning time is lost and that every student feels safe. Our complete system of sanctions and rewards will be explained in detail to you during the TAL Induction Camp and you will find a summary of this in your TAL Planner. Your Form Tutor will support you with guidance and reminders during the first few weeks and beyond to help you develop your positive learning habits.

We want our students to be polite, calm and courteous and to always be positive role models for the academy.

Empower Careers Pathway

Empower Careers Pathway is a key part of life at Trinity Academy Leeds; embodying our mantra to 'Reach Higher, See Further, Shine Brighter'. At TAL, starting in the first term of Year 7, students are supported to develop their knowledge, skills and expertise to refine and work towards their aspirations. Our timetabled Empower Careers Afternoons, taking place over the course of the academy year, drive this initiative. **With careers and valuable life-experiences at the forefront, every student in the academy will visit five local destinations to learn the secrets behind our city and to interact with industry professionals through exciting and enriching opportunities.** All experiences are interactive, forward-thinking, informative and engaging, with students placed front and centre at all times.

Starting in the first term of Year 7!

Every student will visit five destinations to interact with industry professionals.

Through Empower Careers Pathways, students challenge stereotypes through exposure to diverse and challenging opportunities, and develop their reflective skills in order to help them to plan for their future, while gaining an understanding of the world of work and the actions they need to take to achieve their goals. Strong partnerships have been formed with local employers, businesses and careers service providers to allow Trinity Academy Leeds to provide a robust, innovative and comprehensive careers programme through our Empower Careers Pathway.

Rewards

At TAL we love nothing better than rewarding excellent effort, exemplary behaviour and participation. We do this regularly in lessons, corridors, assemblies and social times, we are always on the lookout for shining stars! **Our rewards are called Achievement Points that will be awarded throughout the school day and logged on the computer system.** The more points that you achieve, the more awards and prizes you will win; these will be handed out at the end of every half term. You can win Bronze, Silver, Gold and Platinum award badges, receive certificates and phone calls home and even be invited to reward trips or receive fantastic prizes. Every week you stand a chance to win, 'Principal's TAL Star of the Week' and other esteemed titles.

Achievement Points

PLATINUM

GOLD

SILVER

BRONZE

Win Principal's TAL Star of the week by trying your best, following the TAL code of conduct, and living out our core values!

The Refectory

The refectory is located on the ground floor in the centre of the academy. This will be the first place that you meet every day for Breakfast Club and then Morning Recall meetings. The refectory will also be where you spend your Break and Community Lunch times if you wish to purchase food. You must finish all your food before you use the outside courtyard or courts.

Break is 9.30am – 9.50am

A range of hot and cold healthy snacks and drinks will be available for you to purchase.

Community Lunch is 12.20pm -12.50pm

You will be able to choose from a range of hot and cold meals, including meal deals, sandwiches, wraps, pasta pots and salads. A full choice of cold drinks, desserts and fruit will also be available.

We try to include a special treat on Fridays!

We call our lunchtime **Community Lunch** as at TAL we all (students and staff) eat lunch together as one big community. This strengthens relationships and keeps The Refectory a calm and welcoming environment for all.

The Refectory

At all times TAL students are expected to behave in a calm and respectful manner in the refectory and queue sensibly to purchase food. At TAL you will use your **ID card to purchase your food electronically** from our tills, this will automatically deduct money from your account. Parents/carers will be emailed full information about how to set up and top up your account including full details about **eligibility for free school meals**. You are welcome to **bring a healthy packed lunch** should you prefer and we recommend that you bring a refillable water bottle (**water only**) to keep you hydrated throughout the day.

Information about our Parent App (MCAS) where you can top up Dinner Money Accounts coming soon!

Please note that the academy does not allow and will confiscate/sanction the following items in accordance with its promotion of healthy eating:

Energy or fizzy drinks, chewing/bubble gum, family or multi packs of sweets, biscuits, and crisps.

“**Education is the most powerful weapon which you can use to change the world.**”

Nelson Mandela

Uniform

It is one of our TAL Absolutes that all our students take pride in themselves and their appearance and follow our uniform expectations. A visual guide to our uniform expectations can be found below, a more detailed guide will be included in the Parent/Carer Handbook that will be emailed to all families.

Hair Accessory
You are allowed black hair accessories only.

Religious Headwear
Hijabs, scarves, turbans, crowns, and top knots, worn for religious reasons, must be plain black.

TAL Tie
Tie should be clipped to top button of your shirt.

School Blazer
The blazer must be worn at all times with sleeves rolled down. We encourage you to wear your TAL pin badges on your blazer!

Shoes
Shoes must be sensible and entirely plain black, worn with plain black socks.

Skirt and Trousers
Tartan skirt with black tights or full-length black tailored (not tight) trousers / shalwar or plain black kameez and tunic. Only black socks/tights are to be worn.

Uniform

We cannot wait to see you in September looking smart in your new uniform. The correct uniform should be worn at all times within, and on the way to and from, the academy. If you arrive in incorrect uniform, you will be given a sanction and will be expected to borrow an item of clothing so that your learning is not disrupted.

We ask that you do not wear an outside coat unless the weather is poor and that this is removed as soon as you enter the academy. You will also have the option to buy a fine knit grey jumper with the school logo as an extra layer.

Check out the TAL Uniform

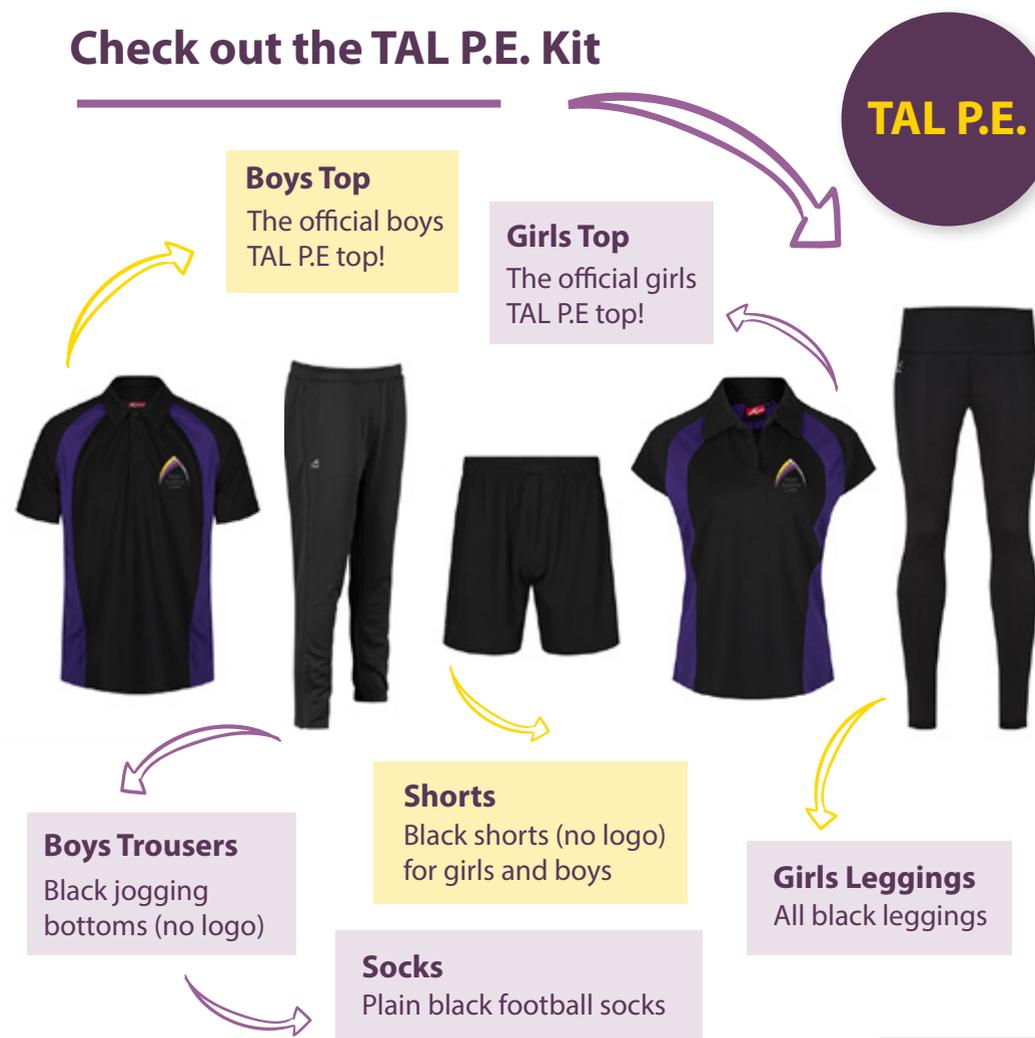

We're looking forward to seeing you looking smart in your new uniform!

Uniform

At TAL we will have excellent sports areas complete with our own all-weather 3G pitch. We want our pupils looking smart and feeling ready to get active. It's important to us that students wear the correct P.E uniform at all times. You will be able to purchase all our uniform from **The School Uniform Shop, Harehills Lane, Leeds, LS9 6AP**. We will be emailing parents/carers with pricing and payment options.

Check out the TAL P.E. Kit

Uniform

At Trinity Academy Leeds we will not only have brand new sporting facilities and equipment, we will also have a 3G pitch for you to play a range of sports on. Please take a look at the images below so that you can purchase the right footwear for your P.E lessons. We're excited to see you taking part in your lessons, Involve clubs and perhaps representing TAL in fixtures and competitions.

PREFERRED FOOTWEAR

MOULDED BOOTS
Plastic studs

BLADES
Plastic blades

AstroTurf Trainers
Rubber soles

ACCEPTABLE FOOTWEAR

SPORTS TRAINING
Flat soles

NON-PERMITTED FOOTWEAR

FOOTBALL BOOTS
Metal studs

Essential Equipment

Being fully equipped is another one of our TAL Absolutes and there are several items that we expect you to bring into school every single day. *You will be given your own TAL equipment bag. You will need to bring a separate bag/rucksack containing your P.E kit on the days that you have P.E, co-curricular and Dance. (This will not be on your first day at the academy). It will also be useful for you to have an English and Spanish dictionary at home.

*TAL Equipment bag!

We are delighted to be able to supply a free, branded bag to each of our students

For your first day at the academy, you should bring the following inside this bag:

*A pencil case containing; two black pens, two pencils, eraser, ruler, protractor.

A challenging reading book that can be brought from home or borrowed from the academy library.

*The Build Booklet.

*A Recall Folder containing Knowledge Organisers for each of your subjects.

*Your TAL Student Planner.

Missing equipment can be purchased via our app – MCAS – and collected from Student Services. Failure to bring the correct equipment will result in a sanction.

***These items will be given to you on your first day with us.**

Home Learning

At the beginning of each year, you will be given a TAL planner. This will contain your timetable, space to record your home learning and a notes section for reminders. Your planner needs to be signed weekly by your Form Tutor and Parent/Carer who will sign off your daily home learning and keep track of your progress. You need to take good care of your planner, if defaced or lost, this will result in a sanction and you will be expected to pay for the cost of a replacement. At TAL home learning is set daily and termly.

Daily home learning consists of three strands:

1

Reading:

You should complete at least 30 minutes of reading each night from your challenging reading book. This can be your own, or one from the school library. You should keep a note of this in your planner.

2

Maths:

You will be set daily homework from the online programme, Hegarty Maths, the number of tasks may vary but should take, in total, approximately 30 minutes. You will be given a username and password to record in your planner.

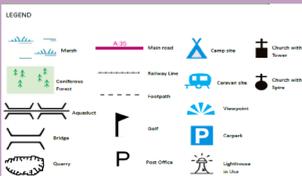

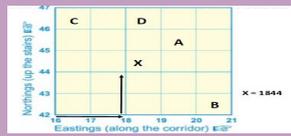

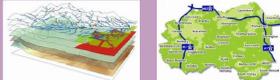

3

Recall:

You will be given a Recall Folder which will contain the Term's Knowledge Organisers (an A4 sheet with all the key facts that you need to learn) in every subject, numbered by page and sections. Every morning during Morning Recall you will be set part of this folder to learn for your daily home learning using the 'look, cover, check' technique. We will go through exactly how to do this during TAL Induction Camp.

Home Learning

You will be tested half termly through our big quiz, Masters of Recall. See an example of a Knowledge Organiser below:

Geography	What do Geographers do?	Year 7	Term 1
Week 1: The UK Map <ul style="list-style-type: none"> Maps help us to know the location of places. We can also use them to guide us when we move between places There are 4 countries in the UK. They each have a capital city England – London Scotland – Edinburgh Wales – Cardiff Northern Ireland – Belfast There are 4 seas North, Irish, Celtic and English Channel 	Week 2: Compass <ul style="list-style-type: none"> A compass is a device that indicates direction (North, East, South, West) It is one of the most important Instruments for navigation Compass directions help us to orientate ourselves, and to direct others They can be remembered using simple rhymes such as 'Never Eat Shredded Wheat' Leeds is north of London and is a cathedral city in West Yorkshire, situated on the River Aire We use scale to show distance on maps It also helps us to shrink object so that they are proportional on a map 	Week 3: World Map- continents & oceans  <ul style="list-style-type: none"> The five oceans from smallest to largest are: Arctic, Southern, Indian, Atlantic and Pacific Lines of latitude and longitude help people to locate where a place is in the world To find out how far north or south a place is, lines of latitude are used These lines run parallel to the Equator To find out how far east or west a place is, lines of longitude are used These lines run from the top of the Earth to the bottom 	
Week 4: Map Symbols <ul style="list-style-type: none"> Symbols are used to represent features on a map The meaning of a symbol is given in the map's key This shows us human (impact of people of the earth) and physical (natural world) geographical features 	Week 5: Grid References <ul style="list-style-type: none"> We can use 6 figure grid references to find exact locations on a grid square The grid square is divided into tenths. The first three numbers are the easting and the second three numbers give the northings When you give a grid reference, always give the easting first 'Along the corridor and up the stairs' 	Week 6: Geographical Information Systems <ul style="list-style-type: none"> Geographical Information Systems allow us to make maps that have data and information layered on top of them. It is often called GIS This is useful if we want to study the spatial distribution of information Technology is changing mapping Nowadays many people have mapping apps on their mobile phone. We also have satnavs More people are using maps more than ever before, but fewer people are using map skills 	

Shine Projects:

In addition to your standard daily homework, you will be expected to complete an **independent Shine Project each term**. You should spend around 1 hour on your Shine Project each week. Projects are assessed through a student exhibition at the end of each term which your family and teachers will be invited to.

Involve

As well as an exciting range of subjects, we are also keen to offer every student at TAL the opportunity to take part in two co-curricular options each week through our MAT wide programme, Involve. We have two extended days on Tuesday and Wednesday where qualified teaching staff and partners from across the city will give you the option to choose from lots of exciting clubs and co-curricular opportunities.

Involve club options might include:

Futsal, STEM club, Photography, Book Club, Rowing, Catering and Fashion Design. We will be asking you about your interests soon!

We look forward to seeing you enjoy the Involve clubs we have on offer!

Leeds Academy of Performing Arts

Join our LAPA CLUB!

Being a student of TAL means that you have a unique opportunity to be part of **Leeds Academy of Performing Arts (LAPA)** every Thursday from 2.50pm - 4.50pm. This co-curricular experience is designed to develop young people with a love and interest in Musical Theatre and the Performing Arts. This two-hour session is delivered by performance experts and is free of charge. It will cover a range of disciplines including voice, acting and dance and will result in termly showcases with invited audiences. You will have the opportunity to apply for a place through the transition process where you will need to commit to regular attendance and additional rehearsals and show times. Additional LAPA merchandise will be available to purchase through the school and should be worn during attendance.

Leeds Academy of Performing Arts

THURSDAY FROM 2.50pm - 4.50pm

In addition to our LAPA provision we hope to offer you a range of additional opportunities through the Arts, this includes music tuition, workshops with industry professionals and theatre/studio visits.

The Build

Every student in Year 7 takes part in Level 1 of **The Build** and is challenged with completing 40 key achievements that are underpinned by our MAT core values of Empathy, Honesty, Respect and Responsibility. When you complete one of these activities, you will need to provide evidence to your Form Tutor who will use a 'Build' stamp in your Build Booklet to confirm that it has been met. You will receive a score at the end of the year and take part in an award ceremony recognising your successful completion of the first level of The Build!

40 STEPS TO GET STAMPED

The Build: Level 1

Welcome to Level 1 of The Build! Each year at Trinity Academy Leeds (TAL), you will be challenged to complete a level of the TAL Big Build! You have 40 different steps to complete during Year 7 that will help you grow stronger in body and mind. Every student will receive a score at the end of the year and rewards will be given to all who successfully complete Level 1. Complete 35-40 steps to win gold, 30 steps for silver and 25-30 steps for bronze. We will celebrate your achievement at the end of the year with a special ceremony before starting Level 2. The challenges below are designed to help you adopt positive learning habits and live the TAL core values of Empathy, Honesty, Respect and Responsibility.

Empathy, Honesty are embedded in reach

Each time you complete a step, to ask your Form Tutor to stamp your booklet to show that you have completed it. You will also need to bring in evidence or demonstrate the new skill to your Form Tutor! Twice a year you will be asked to act as architects to your progress and to review your next steps.

Enrichment

During the year, there are a wide variety of trips and visits available to all Year 7 students, some of these will involve visits to the theatre, performances, sporting fixtures and University trips. You will also be invited to attend careers events and workshops and listen to motivational speakers and role models in various professions.

I think education is power. I think that being able to communicate with people is power. One of my main goals on the planet is to encourage people to empower themselves.

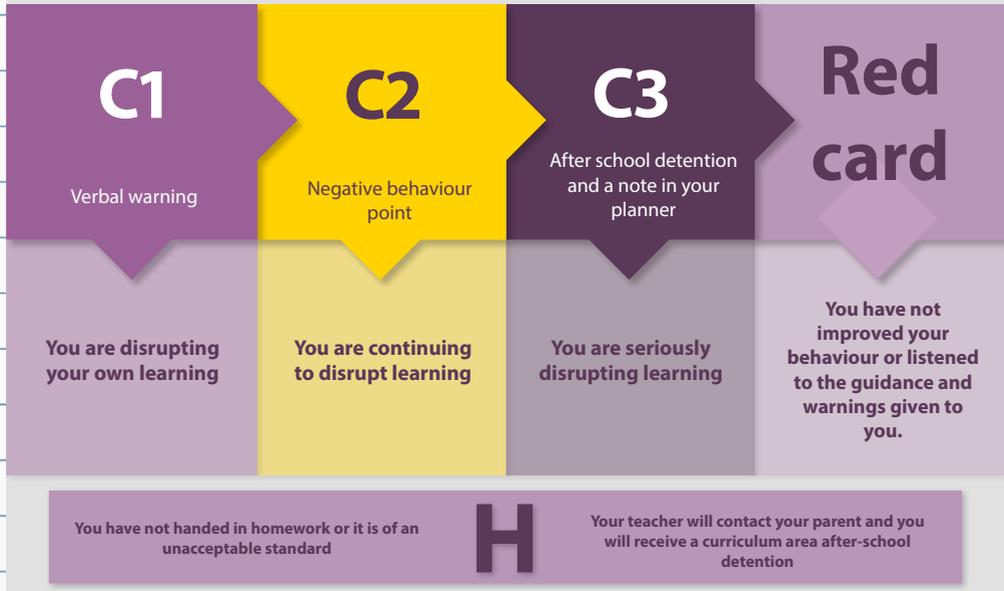

Oprah Winfrey

Classroom Consequences

Our behaviour system is really clear and is designed to ensure that you are supported in adopting positive learning habits from the very moment that you join us. At TAL we are passionate about your education and we will not accept any interruptions to learning. If you follow our behaviour system in and around the academy then you are unlikely to ever receive a sanction. TAL students should be on time, on task and act out our core values at all times.

Classroom Consequences

Rewarding You

Rewarding you...

Classroom rewards

At Trinity Academy Leeds you are rewarded with Achievement Points for excellent behavior and effort. By following the TAL Absolutes, you will succeed.

Ways you may be recognised with Achievement Points include:

- Working hard on a piece of classwork or homework
- Making a positive contribution in class or to the academy
- Setting an example to others

Achieve your goals ...

Over the year your net points accumulate and you will be recognised for your success at three levels. These are:

BRONZE 250	SILVER 400	GOLD 600

A special achievement, you will be given your first badge.

The next step, you have earned your silver badge!

The absolute goal – you have achieved the highest level!

When you reach each stage, you will be recognised. Your Form Tutors will take you through what you need to do to achieve this and help you plan your route to success!

Achievement points then lead to...

Each term we celebrate your success and you will be recognised by:

- A text message home to congratulate you
 - A certificate and letter home
 - Rewards events such as trips and special events within the academy.
- Remember, that these are based on net points

Empathy, Honesty, Respect and Responsibility

We make sure that we reward all students who show excellent effort, behaviour and attitude by awarding Achievement Points which lead to special awards, including academy badges that you can wear on your school blazer with pride.

Additional Information

Lost Property

Please ensure that your uniform/equipment is named; secondary school is a much larger setting and things can go missing very easily if not. All lost property should be handed in at reception. If a student loses any item they should ask at the reception if it has been found. Named items are returned to students via Form Tutors. Items that are not named are placed in lost property. These are held until the end of term.

Phones and Technology

Mobile phones are not allowed in the academy and are only permitted if switched off and placed in bags out of sight. If students need to contact home, they can use the phone in the Student Office at the front of school. Any student found using a mobile phone or smartwatch during the day will have the item confiscated. It will not be returned until the end of term or until a parent comes into school to collect it. The student will also receive a suitable sanction. The academy accepts no responsibility for the safety or security of the above equipment.

Transport

We encourage all students, where possible, to walk to school. We have a secure bike shed for safe storage of bikes/scooters.

Additional Information

#TALSTARS

We will set the highest of standards and expectations for all our students and we ask that you work hard, be kind and represent our academy positively. You will be given a lot of support, not only by your teachers, but by our Student Support Team and wider staff. Please check out our website for further information about wellbeing and how to keep yourself safe. Please keep in touch by checking school emails regularly and taking part in our TAL Challenges that will continue to run over the next few months.

Bullying

Zero Tolerance on Bullying!

At Trinity Academy Leeds we expect all members of our school community to live out our core values of Empathy, Honesty, Respect and Responsibility at all times. Unkindness in any form will be challenged; we have a zero tolerance policy on bullying and sanctions will be issued to students who do not follow this. We have a very supportive team of teachers and staff who will look after your wellbeing, including your Form Tutor, Head of Year, Student Liaison Officer and the school, SENDCO. We are here to ensure that you achieve brilliant grades but that you are also happy and settled at school. Please do not hesitate to speak to us about anything that is worrying you.
