

Trinity Academy Leeds: Provider Access Statement

Introduction

This policy statement sets out the academy's arrangements for managing the access of providers for the students at the academy, for the purpose of giving them information about the provider's education or training offer. This complies with the academy's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All students in Years 7-11 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for year 8 to 9 pupils and two encounters for year 10 to 11 pupils.

Management of provider access requests

These provider encounters will be scheduled during the main school hours, through TAL's Empower Careers Pathways and the provider will be given a reasonable amount of time to, as a minimum:

- Share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers.
- Explain what career routes those options could lead to.
- Provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider).
- Answer questions from pupils.

Prior to an encounter we encourage providers to share information about both their provision and the courses they offer so that this can be shared with parents and carers.

Procedure

A provider wishing to request access should contact:

Rebecca Goult – Associate Assistant Principal

Telephone: 0113 4831126

Email: RGoult@leeds.trinitymat.org

Meaningful provider encounters

One encounter is defined as one meeting/session between pupils and one provider. We are committed to providing meaningful encounters to all pupils using the aforementioned

expectations when managing provider access requests.

Previous providers

In our inaugural year, students engaged with Empower experiences from organisations/individuals including:

- Leeds City College
- Citu Sustainable Housing
- Leeds Discovery Centre
- The Royal Armouries
- The Canal and Rivers Trust
- Leeds Heritage Theatres
- Maths City
- Balfour Beatty
- Tropical World
- Lotherton Hall
- Leeds Art Gallery
- Leeds City Museum
- Leeds Subscription Library
- Virgin Money
- Progeny
- Yorkshire Evening Post
- World Book Day CEO
- Published authors – Zana Frallion, Mitch Johnson and Francis Hardringe

Destinations of our pupils

Please note that Trinity Academy Leeds is a new secondary school with a founding cohort of Year 7 only in the 2021-22 academic year. The student body will grow each year, therefore our first year 11 cohort will be in the 2026-27 academic year.

Management of provider access requests

Opportunities for access

A number of events, integrated into the academy careers programme, will offer providers an opportunity to come into the academy to speak to students and/or their parents/carers.

Please see below for an outline of planned events throughout the year:

Please speak with **Rebecca Goult** to identify the most appropriate opportunity for you.

Premises and Facilities

The academy will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. During the

timetabled Empower careers afternoons, students will usually leave the academy site to take part in Empower experiences. The academy will also give the provider access to specialist equipment, such as computers, for presentations where appropriate. This will be discussed and agreed in advance of the visit with the careers leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the main reception. Students will be able to read relevant literature in the library break and lunchtimes and after the school day ends.
