Trinity Academy Leeds

Performing Arts Audition Process

Supplementary Guidance

Applicants will be invited to attend a one-hour workshop of either Drama, Dance or Music. They will take part in a range of practical activities designed to explore their creativity, enthusiasm, and potential in chosen art form. The workshop will include activities linked to Dance, Drama and Music and will be led by our specialist performing arts staff.

Following the workshop, students will be invited to a one-to-one audition in their chosen Performing Arts discipline (Dance, Drama or Music). During this audition, students will have the opportunity to showcase their individual strengths, skills and potential in greater depth.

Students will be assessed by our specialist performing arts staff for potential within the performing arts.

Our staff will be looking for students who demonstrate enthusiasm, commitment, creativity and the capacity to develop and improve. Therefore, we emphasise that students need not worry if they are stronger in one area than the others, as we are looking for potential as well as current ability.
